

Fieldtrip and Graduation of 6th Batch of Insantama Integrated Islamic Boarding Middle School Bogor 2015

Gunung Walat, Sukabumi – Fieldtrip and Graduation of 6th Batch of Insantama Integrated Islamic Boarding Middle School Bogor had been held from June 8-10, 2015 in Gunung Walat University Forest, Sukabumi.

Insantama Integrated Islamic Boarding Middle School Bogor had held the 6th batch graduation themed “Becoming The Best Alumni for Higher Education”. This program was attended by dozens of 9th-grade junior high school students and the Insantama Integrated Islamic Boarding Middle School Bogor directors, teachers, and other stakeholders.

“This program aims prepare a good graduate. We give them advice and information so that after they’ve graduated, they can behave and choose a school or continue the scientific cultures we have to apply” said Insantama Integrated Islamic Boarding Middle School Bogor Principal, Mulyono Guro, when met at the location of the activity.

GUNUNG WALAT UNIVERSITY FOREST

In addition to getting the material from the teachers, the students get the opportunity to explore the area of Gunung Walat University Forest, such as observing several types of trees that can make profits from the sap.

“In a few days we are here, we find many things, such as metal, pine, and resin which we never knew that substances are very important for our daily needs” said the 6th Batch Graduation PIC of Insantama Integrated Islamic Boarding Middle School Bogor, Sanudin S.Th.I.

Sanudin added that during the trip in the forest, there were various activities held by local residents around the forest. It was expected that after seeing the activities of the residents, it would become a kind of reflection and inspiration for the students to always be grateful and plan their future well.

“We see this kind of condition that works to find bamboo to be sold to Sukabumi but remain grateful for it. We take it as a theme that they must always be grateful with various circumstances” he concluded.
