

Farewell party of XI Science 5 Class of SMAN 1 Bogor

Gunung Walat, Sukabumi – Farewell party of XI Science 5 Class of SMAN 1 Bogor was held on June 25-26, 2011 in Gunung Walat University Forest.

The party was attended by 27 students consisting of 14 men and 13 women. The separation was held in Gunung Walat University Forest (GWUF) because of the supportive atmosphere, calmness, and big distance from the crowds. In addition, GWUF is easy to parental advisory because GWUF is well-known by several other students and by parents.

“We want to find a new atmosphere because the farewell party is usually held in a luxurious place in the city, while we want a good farewell that is different from another one that is by getting closer to nature,” said Angga Nova Prasetyo as class leader and committee chairman of the farewell event.
