## **GUNUNG WALAT UNIVERSITY FOREST**

This gathering included a friendly night between Deans and staff and entertainment programs such as door prizes and musical instrument. In the morning, there was a healthy walk around the forest and morning exercise. On this occasion, there was also a racing game which competed for prizes joint by department staff and GWUF staff.

The impression that was received by all staff was very enjoyable because for 2 days they were entertained exclusively with various entertainment and classy menus. This is a form of appreciation from the Faculty of Forestry to the GWUF for staff who have been loyal to providing services at the Faculty of Forestry.
