

Meetings between the GWUF management and agroforestry farmers and tappers

Gunung Walat, Sukabumi – Meetings between the GWUF management and agroforestry farmers and tappers was conducted on October 3, 2012, in the Matoa Hall Gunung Walat University Forest.

This meeting aims to evaluate the cooperation of agroforestry programs that have been carried out in the GWUF area since 2002. Agroforestry cooperation and sharecropping farmers in accordance with the contract made in 2002 will be completed in 2012. As for the types of agroforestry that are planted are sengon, cardamom, coffee, and so on.

This meeting also evaluated the sap tapping activities.
