

## **Training on enhancing the institutional and human resource capacity of the staff of the Directorate of Forest Product Processing and Marketing Development (BPPHH) of the Ministry of Forestry**

**Gunung Walat, Sukabumi** – Training on enhancing the institutional and human resource capacity of the staff of the Directorate of Forest Product Processing and Marketing Development (BPPHH) of the Ministry of Forestry of the Republic of Indonesia took place in Gunung Walat University Forest on February 24-25, 2012.

Participants in the training were 43 people. Activities held during GWUF included outbound, paintball, hospitality, training for employees, sharing events, etc.

“This activity is also to improve friendship so that performance is better because it is more compact”, said Dr. Dwi Sudharto, Director of BPPHH.
