

Basic Student Leadership Training (LDKS) of MTs Negeri 3 Sukabumi

Gunung Walat, Sukabumi – Basic Student Leadership Training (LDKS) of MTs Negeri 3 Sukabumi had taken place on 25-26 November 2016 in Gunung Walat University Forest.

This training was attended by dozens of students and several mentors of MTs Negeri 3 Sukabumi.

During their stay at Gunung Walat, the students held activities consisting of two parts, they are physical LDKS and mental LDKS. For the physical LDKS, the material outline was the line of march (PBB) meanwhile the outline of mental LDK was leadership counselling.

From the overall activities that had been undertaken, the teachers and students were very impressed with the natural conditions in Gunung Walat.

“The place is very nice for the students to know nature and there are also many challenging tracks for students, especially for nature lovers” said the chief executive of LDKS, Ence Alisadidin when met on the sidelines of the activity.

Ence Alisadidin did not forget to express her gratitude to the entire staff of Gunung Walat for the services that had been given.

“The activity went very well with the help for the good staff of GWUF. We, for that, say a big thank you” she concluded.
